\$5 Fee for space is to cover costs of advertising and cleanup.

All Vendors must provide their own tables, canopies, and display items. Spaces will be clearly marked. Please do not “creep” into another Vendor’s space. Trash barrels are provided for attendees; however, we suggest having a trash bin/can in your area if you anticipate a lot of waste at your booth.

Electricity is provided for an additional \$5, but Vendors are required to provide their own extension cords.

Water is provided for at no additional cost; however, water is not available at individual booths. It is available at the pump on the south side of the Norman Library.

No motorized vehicles are allowed inside the Norman Square. Vehicles must be parked outside of the rock wall. Vendors are asked to park on Gurdon Ave (the road east of the Norman Library). When setting up, Vendors may use carts and wheelbarrows or other assistance items.

Set up will begin at 7 a.m. and should be complete by 8 a.m. If you require an earlier set up time, please let us know to make arrangements.

The Vendor is required to comply with all applicable local, state, and federal laws and/or permitting requirements at all times.
